# Our community must act to support Berkeley's schools

Sacramento and Washington are abandoning our children by underfunding our schools.

Even worse, the state budget crisis coupled with increasing costs forced the Berkeley school district to make over \$14 million in cuts to balance its budget.

These cuts substantially increased class size, reduced library hours, and undermined our acclaimed music program.

Measure B will raise \$8.3 million in critically needed funds that must only be used to:

## **Reduce Class Size**

Two-thirds of Measure B will reverse recent increases in class size. (68% ~\$5.6 million)

## **Strengthen Libraries**

Keep school libraries open and staffed (16% ~\$1.3 million)

## **Save the Music Program**

Restore and broaden music programs (7% ~\$600,000)

## **Improve Achievement**

Evaluation, teacher training, family outreach & translation (9% ~\$740,000)

## **VOTE YES ON MEASURE B**

Measure B is a two-year measure to supplement Berkeley School Excellence Project (BSEP) funds until 2006, when BSEP will be reconsidered by the voters. For further information and complete measure text please visit
